

Company Bio

The service-disabled veteran-owned small business Topsarge Business Solutions (TBS) has delivered contracted professional and technical services to state and federal government clients since 2013. We assist organizations in transforming their organization's work practices and developing their workforce to be more productive. We have process improvement specialists trained and certified in project management, knowledge management, lean and six sigma, as well as our other management consulting techniques. Our specialties include instructor-led training, workforce development, training support services, administration & management consulting, policy & doctrine development, logistics planning & consulting, research & development in the social sciences, data analysis, and executive coaching & mentor programs.
