

SECURITY SOLUTIONS FOR GOVERNMENT FACILITIES

CAPABILITIES STATEMENT

CORE COMPETENCIES

Team TBS, a collaboration between Topsarge Business Solutions (SDVOSB) and PyroCom Systems, delivers full-spectrum Fire and Security System Services to federal, state, and DoD clients. With more than 26 years of specialized industry experience, our team provides reliable, scalable, and custom-fit solutions across a broad range of environments, including Military, Government, Commercial, Industrial, and Educational facilities.

We specialize in system integration, compliance, and 24/7 operational support under NAICS 561621.

- Intrusion Detection & Surveillance Systems
- Fire Alarm and Suppression Systems
- Access Control & Secure Entry Systems
- Life Safety and Antiterrorism Support
- System Upgrades, Repairs & IT Integration
- Enterprise-level System Design & Installation
- 24/7 Monitoring, Dispatch & Emergency Response
